Broadcast Engineer Technician

WVIR-TV/NBC 29 is seeking an experienced engineer. A Bachelors or Associates degree in Engineering or a related field is required. SBE certification is a plus. The ideal candidate will have computer and/or broadcast experience and be a great team player. Transmitter experience is desired. Duties include but are not limited to daily repair and maintenance of broadcast equipment and installation of broadcast systems. This position will interface with every department to provide technical support as needed. NBC29 offers a competitive benefits package, including paid time off. This is a full-time position, hours to be determined.

Qualified applicants should apply by sending resume and completed NBC29 application, available at NBC29.com, to:

WVIR-TV NBC29
503 East Market Street
Charlottesville, VA 22902
Or
E-mail to hrmanager@nbc29.com

No phone calls please. Resumes not accompanied by NBC29 application will not be considered. EOE.
