

SBE Meeting Minutes
3/9/2011

The March 9th, 2011 meeting of the SBE Chapter 78 was held at the Shoney's restaurant in Troutville, Va. Chapter Chairman, Eddie Durham, opened the meeting at 12:16p.m. and welcomed all in attendance. The minutes & Treasurer's report from the last meeting were approved. Eddie asked if there was any old business and then spoke on the latest EAS news.

New Business:

Eddie said our next meeting will be held at Wood Grill in Charlottesville on May 11th, 2011. Linear, Incorporated will be giving a presentation on digital transmitter corrections. Eddie stated that after this, no programs are pending. He said if anyone in the group had suggestions, to send them his way.

Eddie spoke next about a possible upcoming "picnic" event for members and their families. Tony Mancari, Certification Chair, asked if this could be a membership event in which current members could bring friends who might be interested in joining. Fall was suggested as a good time for this event with possible meeting locations at Blue Ridge Parkway, Buena Vista or Natural Bridge. A group was formed to work out further details on this undertaking including Eddie Durham, Jon T. Wenger & Bob Jenkins.

Eddie extended congratulations from our group to newly retired Milt Ridgeway and wished him the best in his future endeavors.

Eddie asked if there was anymore old business and not hearing anything, closed the meeting at 12:47p.m.

He, then introduced, Daniel Loeffler of Mayah Communications who gave his presentation on "Audio over IP for Radio and ENG."
