Date: 09-12-13

Location: WVTF Studio, Roanoke, VA

Title: Chapter Chairman

Meeting was opened by Paxton Durham at 12:50 PM

Old business:

The treasury balance is \$2,111.96.

New business:

The next meeting will be on Thursday, November 14th in Charlottesville.

Treasurer Al Stephens is going to move our chapter account from BB&T to First National of Altavista to avoid paying the \$2.00 monthly service fee.

We are in the planning stages of a Tektronix Digital Test and Measurement Seminar sponsored by Digital Video Group. It is set for the end of November. Possible locations are WDBJ or WBRA in Roanoke. DVG will provide lunch.

We discussed the idea of having an IT training course. Eddie Durham mentioned that we could have someone go over the SBE IT certification material so that we could also get the benefit of an SBE certification from it.

We discussed possible venues to conduct SBE meetings over the internet for those that are unable to travel such as Skype, Live Stream, and Go To Meeting. Internet meetings do count as an official SBE meeting. If anyone has ideas or experience in this please contact Eddie Durham.

Chapter 78 elections will be in November. Eddie Durham will head up the nominating committee. If you have any nominations, please contact Eddie.

The Tieline program was cancelled. Mary Ann Seidler, Vice president of sales for Tieline, got stuck at the airport in Philly for over 18 hours before her flight into Roanoke

was canceled. She was not able to make the meeting, but she still provided the BBQ lunch.

Meeting adjourned at 1:30 PM. A tour of the WVTF facility followed the meeting.
